

## *Florida Department of Transportation*

### **ANNOUNCEMENT OF LOCATION AND DESIGN CONCEPT ACCEPTANCE**

#### **SR 9/I-95 from South of SR 870/Commercial Boulevard to North of Cypress Creek Road Project Development and Environment (PD&E) Study Broward County, Florida**

Financial Management #: 435808-1-22-02  
Efficient Transportation Decision Making (ETDM) #: 14222

On May 16, 2019, the Florida Department of Transportation (FDOT), pursuant to 23 U.S.C. § 327 and a Memorandum of Understanding dated December 14, 2016, and executed by FHWA and FDOT, granted Location and Design Concept Acceptance for the SR 9/I-95 from south of SR 870/Commercial Boulevard to north of Cypress Creek Road PD&E Study in Broward County, Florida. The proposed improvements consist of:

#### **I-95 Mainline**

- Provide a Collector-Distributor (CD) road system starting at the Cypress Creek Park & Ride southbound on-ramp. The CD road system continues southbound over Commercial Boulevard and merges with the I-95 mainline just north of Powerline Road.
- Reconstruct the North Andrews Bridge over the I-95 mainline.

#### **Commercial Boulevard Interchange**

- Additional turn lanes at the I-95 northbound and I-95 southbound off-ramp intersections.

#### **Cypress Creek Road Interchange**

- Reconstruct the I-95 northbound to westbound off-ramp to provide a two-lane exit and intersection improvements at its junction with Cypress Creek Road.
- Widen I-95 southbound on-ramp from N. Andrews Avenue to provide an additional lane and tie into the proposed CD road system.

#### **Commercial Boulevard and N. Andrews Avenue Intersection**

- Intersection improvements.
- Provide a one lane bridge across N. Andrews Avenue to accommodate Commercial Boulevard westbound traffic to the existing I-95 westbound to southbound flyover on-ramp.
- Convert existing two-lane frontage road located at the northeast quadrant of the intersection to a one lane frontage road in the westbound direction.

#### **Other Improvements**

*Florida Department of Transportation*

- Intersection improvements at Commercial Boulevard and Powerline Road, Cypress Creek Road and N. Andrews Avenue and Cypress Creek Road and NE 7 Avenue.
- Provide seven-foot bicycle lanes along Commercial Boulevard, Cypress Creek road and Powerline Road in both directions.
